Video Source Book 2006 A guide to programs currently available on video in the areas of movies/entertainment, general interest/education, sports/recreation, fine arts, health/science, business/industry, children/juvenile, how-to/instruction.

The CCC Chronicles Alfred Emile Cornebise 2004-04-02 "This book considers all phases of life in the CCC from various perspectives, but especially focuses on CCC camp journalism. The CCC newspapers provide a look at American life - socially, politically, culturally and militarily - during the Great Depression. The text explores how Happy Days and other newspapers were created and distributed, who wrote for them, and what they contained."--BOOK JACKET.

United States A. Robert Lee 2011-11-28 Aquest estudi analitza un ordre literari canviant: Amèrica com unitat i diversitat, com un ens nacional i transnacional. Els escrits crítics literaris reunits aquí ofereixen una sèrie de perspectives que tracen gran part de la geografia cultural en joc: la narrativa, l'autobiografia, el teatre, etc. Es presenten també un conjunt d'assajos i ressenyes que, amb diverses direccions d'enfocament, posen atenció als fonaments previs a Colón, a una antologia canònica nord-americana de poesia i al que s'ha omès; la narrativa llatina i als principals dramaturgs antics. Inclou entrevistes a creatius i acadèmics com Gerald Vizenor, Frank Chin, Louis Owens, John Cawelti i Rex Burns. La secció de ressenyes final ofereix una sèrie de monografies de rellevant erudició multicultural així com contribucions a l'emergent i ampli mural d'anàlisi.

First Call Thomas D. Boettcher 1992 A dramatic history of American military structure after World War II features such actors as Harry Truman, Douglas MacArthur, and James Forrestal and tells how they rushed into unprecedented policies to meet the demands of the Korean War.

The Presidents Kathy Zaun 1992

Harry S. Truman Halford Ross Ryan 1993 Harry Truman is famous for his plain speaking, and his presidential rhetoric is evaluated in terms of his most important speeches relating to the Cold War, Korean War, and whistle-stop campaigning to win a remarkable election victory, and his summation of his presidential role. This in-depth analysis of his major speeches as president, texts, chronology, and bibliography give insights into presidential rhetoric and communications research.

Combat Warren B. Rudman 1996 The former New Hampshire senator provides a firsthand look at the legislative process, detailing the conflicts and compromises that shape American laws and life

Who's who in the Midwest 2003

Soldier Dead Michael Sledge 2005 "Why does recovering the remains of servicepeople matter? Soldier Dead examines this question and provides a thorough analysis of the processes of recovery, identification, return, burial, and remembrance of the dead. Sledge traces the ways in which the handling of our Soldier Dead has evolved over time and how these changes have reflected not only advances in technology and capabilities but also the shifting attitudes of the public, government, and military. He also considers the emotional stress experienced by those who handle the dead; the continuing efforts to retrieve bodies from Korea and elsewhere; and how unresolved issues regarding the treatment of enemy dead continue to affect U.S. foreign relations."

De Koude Oorlog John Lewis Gaddis 2020-04-14 Zelfs de vijanden van James Bond zitten niet meer bij de KGB tegenwoordig. Je kunt je afvragen waar we 45 jaar lang zo bang voor zijn geweest. De Koude Oorlog, de strijd tussen democratie en kapitalisme (het Westen) en het internationale communisme (het Oosten), werd door iedereen als een grauwe en gevaarlijke periode ervaren. De aanleg van een kerwapenarsenaal door de beide wereldmachten zorgde in vele landen voor - achteraf bekeken - hilarische brochures en tips van de Bescherming Burgerbevolking ('Wenken voor de bescherming van uw gezin en uzelf'). In 2006 kan Lewis Gaddis opgelucht schrijven dat de Koreaoorlog eigenlijk het hoogtepunt van de strijd is geweest. Als Margaret Thatcher, Ronald Reagan, Michail Gorgatsjov, Paus Johannes

Paulus II en Lech Walesa dat hadden geweten, was het IJzeren Gordijn dan eerder gevallen?

Lost Victories Bevin Alexander 1992 An account of the career of the Civil War's master tactician argues that it was Lee's strategic timidity and not his prescience that prevented Jackson from striking north across the Potomac to force a peace. 15,000 first printing.

Blue Dreams Nancy Abelmann 1995 No one will soon forget the image, blazed across the airwaves, of armed Korean Americans taking to the rooftops as their businesses went up in flames during the Los Angeles riots. Why Korean Americans? What stoked the wrath the riots unleashed against them? Blue Dreams is the first book to make sense of these questions, to show how Korean Americans, variously depicted as immigrant seekers after the American dream or as racist merchants exploiting African Americans, emerged at the crossroads of conflicting social reflections in the aftermath of the 1992 riots. The situation of Los Angeles's Korean Americans touches on some of the most vexing issues facing American society today: ethnic conflict, urban poverty, immigration, multiculturalism, and ideological polarization. Combining interviews and deft socio-historical analysis, Blue Dreams gives these problems a human face and at the same time clarifies the historical, political, and economic factors that render them so complex. In the lives and voices of Korean Americans, the authors locate a profound challenge to cherished assumptions about the United States and its minorities. Why did Koreans come to the United States? Why did they set up shop in poor inner-city neighborhoods? Are they in conflict with African Americans? These are among the many difficult questions the authors answer as they probe the transnational roots and diversity of Los Angeles's Korean Americans. Their work finally shows us in sharp relief and moving detail a community that, despite the blinding media focus brought to bear during the riots, has nonetheless remained largely silent and effectively invisible. An important corrective to the formulaic accounts that have pitted Korean Americans against African Americans, Blue Dreams places the Korean American story squarely at the center of national debates over race, class, culture, and community. Table of Contents: Preface The Los Angeles Riots, the Korean American Story Reckoning via the Riots Diaspora Formation: Modernity and Mobility Mapping the Korean Diaspora in Los Angeles Korean American Entrepreneurship American Ideologies on Trial Conclusion Notes References Index Reviews of this book: Blue Dreams--a poetic allusion to the clear blue sky that Koreans see as a symbol of freedom--is a welcome exploration by outsiders into the vexing and largely invisible Korean-American predicament in Los Angeles and the nation. [Abelmann and Lie 's] colorful interview subjects offer sharp observations. --K.W. Lee, Los Angeles Times Reviews of this book: An informed and thoughtful examination of Korean immigration to the United States since 1970...[Abelmann and Lie] show that even in a period as short as twenty-five years, there have been successive waves of differently motivated, differently resourced Korean immigrants, and their experiences and reactions have differed accordingly. --Michael Tonry, Times Literary Supplement Reviews of this book: [The authors'] transnational perspective is particularly effective for explicating Korean immigrants' behaviors, activities, and feelings...Interesting and readable. --Pyong Gap Min, American Journal of Sociology Reviews of this book: Beginning with a poetic book title, the authors recount in depth as to how the 'Blue Dreams' of the Korean-American merchants in East Los Angeles had shattered in the midst of [the] 1992 riot that turned out to be 'elusive dreams' in America...The book not only portrays the L.A. riot surrounding the Korean merchants, but also characterizes diaspora of the Koreans in America. The authors have also examined with scholarly insights the more complex socioeconomic and political underplay the Koreans encountered in their 'Promised New Land'. --Eugene C. Kim, International Migration Review
