

# Jesus For President Politics Ordinary Radicals Shane Claiborne

When somebody should go to the ebook stores, search instigation by shop, shelf by shelf, it is really problematic. This is why we present the book compilations in this website. It will very ease you to see guide Jesus For President Politics Ordinary Radicals Shane Claiborne as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. If you take aim to download and install the Jesus For President Politics Ordinary Radicals Shane Claiborne, it is extremely easy then, before currently we extend the link to purchase and create bargains to download and install Jesus For President Politics Ordinary Radicals Shane Claiborne so simple!

The Activist Impulse Jared S. Burkholder 2012-04-04 Anabaptists have often felt suspicious of American evangelicalism, and in turn evangelicals have found various reasons to dismiss the Anabaptist witness. Yet at various points in the past as well as the present, evangelicals and Anabaptists have found ample reason for conversation and much to appreciate about each other. The Activist Impulse represents the first book-length examination of the complex relationship between evangelicalism and Anabaptism in the past thirty years. It brings established experts and new voices together in an effort to explore the historical and theological intersection of these two rich traditions. Each of the essays provides fresh insight on at least one characteristic that both evangelicals and Anabaptists share--an impulse to engage society through the pursuit of active Christian witness.

Red Letter Revolution Shane Claiborne 2012-10-08 For all the Christians facing conflict between Jesus's words and their own lives, for all the non-Christians who feel they rarely see Jesus's commands reflected in the choices of his followers, Red Letter Revolution is a blueprint for a new kind of Christianity, one consciously centered on the words of Jesus, the Bible's red letters. Framed as a captivating dialogue between Shane Claiborne, a progressive young evangelical, and Tony Campolo, a seasoned pastor and professor of sociology, Red Letter Revolution is a life-altering manifesto for skeptics and Christians alike. It is a call to a lifestyle that considers first and foremost Jesus's explicit, liberating message of sacrificial love. Shane and Tony candidly bring the words of Jesus to bear on contemporary issues of violence, community, Islam, hell, sexuality, civil disobedience, and twenty other critical topics for people of faith and conscience today. The resulting conversations reveal the striking truth that Christians guided unequivocally by the words of Jesus will frequently reach conclusions utterly contrary to those of mainstream evangelical Christianity. If the Jesus who speaks to you through the Gospels is at odds with the Christian culture you know, if you have ever wanted to stand up and say, "I love Jesus, but that's not me," Red Letter Revolution will prove that you are not alone--you may have been a Red Letter Christian all along. Endorsements: "This book, by a young and an elderly Christian, will help you decide how we Christians could change the world if we took the sacred letter's words of Jesus literally and seriously." "President Jimmy Carter "In Red Letter Revolution the uncompromised truth of Jesus' teachings are given voice by two modern-day Christian leaders who do more than preach this Good News. They walk the talk and lead the way." "Archbishop Desmond Tutu "I started reading this book and couldn't stop. . . . Thank you, Tony and Shane. Thank you for this book. May the movement spread around the world." "Abuna Elias Chacour, Melkite Catholic Archbishop of Galilee "Red Letter Revolution is an adrenaline-producing conversation with prophetic bite." "Eugene H. Peterson, author of The Message Bible "I cannot over-emphasize or exaggerate the richness of this book." "Phyllis Tickle, author of Emergence Christianity "In this courageous and well crafted book, we have a return to the core message of the Gospel from two Christians who first tried to live it themselves--and only then spoke." "Fr. Richard Rohr, O.F.M., Center for Action and Contemplation "Shane Claiborne and Tony Campolo are two of the most significant prophetic voices in the Christian world." "Rabbi Michael Lerner, editor of Tikkun Magazine (tikkun.org) "This is a must-read book for anyone who is seeking to take Jesus's call on their lives seriously." "Jim Wallis, founder and editor of Sojourners magazine "If you ever wished you could eavesdrop on a conversation with two of the world's most interesting and inspiring Christians, just turn to page one." "Brian D. McLaren, author/speaker (brianmclaren.net)

Green Kingdom Come! Joe Grabill 2009 Imagine Jesus walking throughout Galilee's lushness. Hear him speak about rain falling on an Earth containing no enemies. Laugh at the wit of Jesus. Enter stories about his best friend, Mary Magdalene. Jesus used snakes and crows as teachers. Wonder at the intelligence of animals, including chimpanzees. The Aramaic language of Jesus reveals earthy meaning. His teachings, examined in seventy sayings, are compatible with sustainability. Green Kingdom Come shows that the lifestyle and ministry of Jesus is green. This book is the first to connect Jesus with our ecological crises today. It features sustainable principles based on his sayings. It suggests green practices and attitudes. Green Kingdom Come weaves together science and religion. A cross-cultural appendix lists sixty sacred and secular names for the oneness of both Earth and universe systems. Help create an Earth Community livable for all species, a green kingdom come About the Author Joe Grabill is a retired professor of history and director of peace studies at Illinois State University. He has made seven research trips to the Holy Land and has written the prize-winning, Protestant Diplomacy and the Near East. He gives leadership to a project of planting trees called Children & Elders Forest (www.ceforest.org) and to a community group, Imagine Green Bloomington/Normal (www.bn-green.org).

The Irresistible Revolution Shane Claiborne 2006 A founding member of The Simple Way, a radical faith community in North Philadelphia, describes an authentic faith rooted in belief, action, and love, offering an invitation into the movement that begins inside each individual and extends into a broken world. Original. 20,000 first printing. \$15,000 ad/promo.

The Other Journal: Marxism The Other Journal 2013-10-01 "The literary critic and Marxist philosopher Fredric Jameson has said, "It is easier to imagine the end of the world than to imagine the end of capitalism." The military, social, and political effects of capitalism are felt everywhere across the planet, and even as we acknowledge the negative effects--the imbalances of power, the imperialist exploitations, the social alienation--we are captivated by its message of self-sufficiency and success. In this issue, The Other Journal examines the potentially surprising intersections of Marxism with Christianity, the ways in which this nexus of thinking and faith may help us contend with and recognize the powers of the market. The issue features essays and reviews by Daniel Colucciello Barber, Luke Bretherton, Kevein Hargaden, Paul Dafydd Jones, D. L. Mayfield, W. Travis McMaken, Christina McRorie, Thomas J. Millay, Silas Morgan, and David Schmidt; an interview by Timothy McGee with Joerg Rieger; fiction by Alex McCauley; creative nonfiction by Jonathan Hiskes; poetry by Brett Foster, Elizabeth Myhr, and Hannah Faith Notess; and art by Steve Bakker and Benjamin Violet. "

Across the Spectrum Gregory A. Boyd 2022-08-16 This accessible yet comprehensive primer helps readers understand the breadth of viewpoints on major issues in evangelical theology, with chapters using the popular multiple-views format. This third edition of a well-received textbook (over 60,000 copies sold) has been updated and revised throughout. It examines positions taken by evangelical scholars on seventeen seminal issues. In addition, it offers end-of-chapter "For Further Reading" sections, an extensive glossary, and an appendix that addresses contrasting views on fifteen additional issues in contemporary evangelicalism.

Follow Me to Freedom Shane Claiborne 2010-10 Followers of Christ yearn to see the world changed in compassionate, positive, effective ways. As prophetic voices, Shane Claiborne and John Perkins lead the way in this move to be the hands, feet and heart of Jesus. One is young; the other is decades older. One is a self-proclaimed reformed redneck who grew up in the hills of Tennessee and now lives in inner-city Philadelphia; the other is an African-American civil rights leader who was almost beaten to death by police in Mississippi, and went on to found a reconciliation movement and counsel three American presidents. Claiborne and Perkins draw on more than a century of combined following and learning, activating and leading. Together they craft a timely message for ordinary people willing to take radical steps to see real change happen. They start with Moses as a model and proceed to re-imagine the roles of leading and following in a world desperate for freedom.

Christian Origins and Greco-Roman Culture Stanley E. Porter 2013 In "Christian Origins and Greco-Roman Culture," Stanley Porter and Andrew Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through the use of Greco-Roman materials and literary forms. Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Hellenistic culture. Some essays focus on configuring the social context for the origins of the Jesus movement and beyond, while others assess the literary relation between early Christian and Greco-Roman texts.

Holy Mavericks Shayne Lee 2009-04 Joel Osteen, Paula White, T. D. Jakes, Rick Warren, and Brian McLaren pastor some the largest churches in the nation, lead vast spiritual networks, write best-selling books, and are among the most influential preachers in American Protestantism today. Spurred by the phenomenal appeal of these religious innovators, sociologist Shayne Lee and historian Phillip Luke Sinitiere investigate how they operate and how their style of religious expression fits into America's cultural landscape. Drawing from the theory of religious economy, the authors offer new perspectives on evangelical leadership and key insights into why some religious movements thrive while others decline. Holy Mavericks provides a useful overview of contemporary evangelicalism while emphasizing the importance of "supply-side thinking" in understanding shifts in American religion. It reveals how the Christian world hosts a culture of celebrity very similar to the secular realm, particularly in terms of marketing, branding, and publicity. Holy Mavericks reaffirms that religion is always in conversation with the larger society in which it is embedded, and that it is imperative to understand how those religious suppliers who are able to change with the times will outlast those who are not.

The Theology of Dallas Willard Gary Black Jr. 2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change. Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians. The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ. Blending both a prophetic critique with pastoral encouragement, Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith.

Introduction to Political Science Fred Van Geest 2017-07-04 Christians are called to be informed about political science as they seek to be ambassadors for Christ in a diverse society. In this introductory textbook, Fred Van Geest presents a balanced Christian perspective on political science, providing a nonpartisan guide to the key concepts, institutions, and policies that shape politics today.

The Deconstructed Church Gerardo Marti 2018-01-15 The Emerging Church Movement (ECM) is a creative, entrepreneurial religious movement that strives to achieve social legitimacy and spiritual vitality by actively disassociating from its roots in conservative, evangelical Christianity and "deconstructing" contemporary expressions of Christianity. Emerging Christians see themselves as overturning outdated interpretations of the Bible, transforming hierarchical religious institutions, and re-orienting Christianity to step outside the walls of church buildings toward working among and serving others in the "real world."

Common Prayer Shane Claiborne 2010-11-23 Common Prayer helps today's diverse church pray together across traditions and denominations. With an ear to the particulars of how various liturgical traditions pray, and using an advisory team of liturgy experts, the authors have created a tapestry of prayer that celebrates the best of each tradition. The book also includes a unique songbook composed of music and classic lyrics to over fifty songs from various traditions, including African spirituals, traditional hymns, Mennonite gathering songs, and Taize chants. Tools for prayer are scattered throughout to aid those who are unfamiliar with liturgy and to deepen the prayer life of those who are familiar with liturgical prayer. Ultimately, Common Prayer makes liturgy dance, taking the best of the old and bringing new life to it with a fresh fingerprint for the contemporary renewal of the church. Churches and individuals who desire a deeper prayer life and those familiar with Shane Claiborne and New Monasticism will enjoy the tools offered in this book as a fresh take on liturgy.

Christology and Whiteness George Yancy 2012 This book explores Christology through the lens of whiteness, addressing whiteness as a site of privilege and power within the specific context of Christology. It asks whether or not Jesus' life and work offers theological, religious and ethical resources that can address the question of contemporary forms of white privilege. The text seeks to encourage ways of thinking about whiteness theologically through the mission of Jesus. In this sense, white Christians are encouraged to reflect on how their whiteness is a site of tension in relation to their theological and religious framework. A distinguished team of contributors explore key topics including the Christology of domination, different images of Jesus and the question of identification with Jesus, and the Black Jesus in the inner city.

The Irresistible Revolution, Updated and Expanded Shane Claiborne 2016-01-05 In this updated 10th Anniversary Edition of Irresistible Revolution, Shane Claiborne uses unconventional examples from his own life to stir up questions about the church and the world, while challenging readers to truly live out their Christian faith. With new material throughout the book and a full new chapter, Shane brings readers up to date on the "revolution"--adding new stories, sharing what his community looks like now, and bringing fresh inspiration to live out this message in practical ways. In Irresistible Revolution, Shane Claiborne describes an authentic faith rooted in belief, action, and love, inviting us into a movement of the Spirit that begins inside each of us and

extends into a broken world. "The irresistible revolution isn't just about going to heaven when you die but bringing heaven down as you live. The love we're talking about is big enough to set both the oppressed and the oppressors free. It's about healing our broken hearts, healing our broken streets, and healing our broken world. The revolution we are talking about begins inside each of us and extends to the ends of the earth." --Shane Claiborne

Apprentice Participant's Guide Steve Chalke 2009-08-30 The quest for meaning and purpose dwells within all of us. Jesus insisted that its fulfillment lay in a relationship with him. But what does that relationship look like—really? Apprentice calls spiritual pilgrims, both Christians and non-Christians, to exchange the shallow diversions of secular and religious culture for the pursuit of our true desires. In a book of refreshing honesty, great heart, and rich creativity, Steve Chalke guides us into an apprenticeship with the master teacher, Jesus. Embarking on a relational journey that engages us on every level, we walk with Jesus in an organic, whole-life learning experience, exploring ten areas foundational to the meaning and depth we crave. Apprentice encourages us to ask our most probing questions, embrace our doubts, and learn why we are driven to belong. Combining story and parable with thoughtful commentary, we discover the ancient art and discipline of apprenticeship—living lives stamped with the character, presence, and impact of Jesus.

T&T Clark Handbook of Anabaptism Brian C. Brewer 2021-12-30 By utilizing the contributions of a variety of scholars – theologians, historians, and biblical scholars – this book makes the complex and sometimes disparate Anabaptist movement more easily accessible. It does this by outlining Anabaptism's early history during the Reformation of the sixteenth century, its varied and distinctive theological convictions, and its ongoing challenges to and influence on contemporary Christianity. T&T Clark Handbook of Anabaptism comprises four sections: 1) Origins, 2) Doctrine, 3) Influences on Anabaptism, and 4) Contemporary Anabaptism and Relationship to Others. The volume concludes with a chapter on how contemporary Anabaptists interact with the wider Church in all its variety. While some of the authorities within the volume will disagree even with one another regarding Anabaptist origins, emphases on doctrine, and influence in the contemporary world, such differences represent the diversity that constitutes the history of this movement.

Social Justice Handbook Mae Elise Cannon 2010-02-25 2010 Outreach Magazine Resource of the Year award winner: justice category Every day we are confronted by challenging societal problems, from poverty and institutional racism to AIDS and homelessness. It can all seem so overwhelming. But while none of us can do everything, all of us can do something. This handbook will help you discover what you can do. Mae Elise Cannon provides a comprehensive resource for Christians like you who are committed to social justice. She presents biblical rationale for justice and explains a variety of Christian approaches to doing justice. Tracing the history of Christians in social engagement, she lifts out role models and examples from the Great Awakenings to the civil rights movement. A wide-ranging catalog of topics and issues give background info about justice issues at home and abroad, such as sex trafficking domestic violence living wage initiatives debt relief environmental stewardship bioethics and much, much more This handbook includes dozens of practical exercises for taking action, as well as profiles of key figures and movements like William Wilberforce, the Salvation Army and Bono, highlighting how Christians and churches can make a difference. Also included are spiritual practices and resources to help us move from immobility to advocacy. God has always worked through his people to accomplish improbable tasks, and he can use you too. This handbook will be an essential companion for living justly, loving mercy and walking humbly with your God.

Remembering the Future Christopher J. Keller 2009-01-01 Remembering the Future is a collection of poems, essays, and interviews that ask readers to see their world with double-vision-to imagine the redemptive consequences of engaging the world with a fastidious awareness of both the biblical tradition and the cultural moment. Remembering the Future is gathered from the first years of The Other Journal, an online quarterly positioned at the intersection of theology and culture. The Other Journal examines theology with fresh eyes, probing faith with passion, authenticity, and creativity; and this anthology represents the highlights of that endeavor, including content from some of the most important voices in the field of theology today. Remembering the Future offers readers an engaging, thought-provoking picture of what sound theological thinking can and must offer today's Christians giving witness to Christ in our contemporary cultural landscape.

Models for Youth Ministry Steve Griffiths 2013-05-16 This book explores models for youth ministry from the life and ministry of Christ. This area of study has become fossilised because youth workers rely too heavily on the notion of 'incarnational' or 'relational' youth ministry. This leads them to believe that they must spend huge amounts of time with young people in order to 'earn the right' to share the gospel with them. The author argues that this foundation for youth ministry is inadequate and impractical and that it is not how Jesus himself operated. He proposes a broader Christology as a foundation for youth ministry today. Each chapter includes study questions for individuals or groups.

1 Peter Dennis R. Edwards 2017-05-09 A new commentary for today's world, The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts, guiding readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and all who want to understand the Bible in today's world. SGBC is organized into three easy-to-use sections, designed to help readers live out God's story: Listen to the Story; Explain the Story; and Live the Story. Praise for SGBC: "The easy-to-use format and practical guidance brings God's grand story to modern-day life so anyone can understand how it applies today."—Andy Stanley "Opens up the biblical story in ways that move us to act."—Darrell L. Bock "It makes the text sing and helps us hear the story afresh."—John Ortberg "This commentary breaks new ground."—Craig L. Blomberg

No King but God Michael Manning 2015-09-18 Can faith be an idol? Can the state grant freedom? What about wealth? No King but God takes up the revolutionary cry found on the lips of Jesus and his contemporaries in the first century to argue that we need the same desire to see God as King in all areas of our lives. From the marginal and prophetic perspective of the Isle of Man, and informed by a decade of pioneering work among the homeless, five contemporary idols are unmasked. The church is given a provocative challenge to embody an alternative. The response to the idols of faith, freedom, the state, wealth, and the individual is not right belief or special prayers, but the humble path of walking as Jesus walked. Soaked in scripture and hope, this is a wooing invitation into true humanity, painting a vision of a kingdom of peace and justice founded on the self-giving love of Jesus. It is a call towards, and a glimpse of, lives and a world where there is no King but God.

A False Kind of Christianity Dan Jensen 2017-06-15 In this work, Dan Jensen offers the conservative Evangelical community a no-nonsense assessment of the growing and aggressive progressive Christian movement. Jensen provides two chapters of personal testimony, a short overview of the history behind the progressive Christian movement, a brief summary of the teachings of the movement, and then he clearly elucidates the fact that the progressive Christian possesses absolutely no biblical foundation. Jensen makes it clear why this movement must be countered by conservative Evangelicals.

Missional. Monastic. Mainline. Elaine A. Heath 2014-01-30 Here is the long-awaited volume that provides both the theoretical foundations and practical guidance for developing new monastic and missional communities in contexts that are theologically progressive, racially and economically diverse, and multicultural. This book contains the wisdom and perspectives of people who live and serve in missional, new monastic communities in United Methodist and other mainline traditions, and it describes new forms of theological education that are emerging to resource a new generation of Christian leaders. Heath and Duggins challenge Methodists, Lutherans, Episcopalians, Presbyterians, and other Christians to reach into their own robust, mainline heritage for resources to develop small, intentional communities that practice a rigorous life of prayer, hospitality, and justice.

Jesus for President Shane Claiborne 2019-07-30 Jesus for President is a radical manifesto to awaken the Christian political imagination, reminding us that our ultimate hope lies not in partisan political options but in Jesus and the incarnation of the peculiar politic of the church as a people "set apart" from this world. In what can be termed lyrical theology, Jesus for President poetically weaves together words and images to sing (rather than dictate) its message. It is a collaboration of Shane Claiborne's writing and stories, Chris Haw's reflections and research, and Chico Fajardo-Heflin's art and design. Drawing upon the work of biblical theologians, the lessons of church history, and the examples of modern-day saints and ordinary radicals, Jesus for President stirs the imagination of what the Church could look like if it placed its faith in Jesus instead of Caesar. A fresh look at Christianity and empire, Jesus for President transcends questions of "Should I vote or not?" and "Which candidate?" by thinking creatively about the fundamental issues of faith and allegiance. It's written for those who seek to follow Jesus, rediscover the spirit of the early church, and incarnate the kingdom of God.

The Fullness of Time in a Flat World Scott Waalkes 2010-01-01 Best-selling author Thomas Friedman says that globalization has made the world flat and that we cannot stop the process. But while it is right to say that globalization tends to flatten our world, it is wrong to say that there are no alternatives to current patterns of economic, ecological, political, and cultural integration. This book argues that the Christian liturgical calendar provides a constructive alternative to the globalization of economics, ecologies, politics, and cultures. It does so by incorporating the church into the fullness of time in the gospel narrative, thereby helping us escape from the dead end of Friedman's flat world so that we can improvise healthier ways of being globally integrated.

The Future of Evangelicalism in America Candy Gunther Brown 2016-04-26 In The Future of Evangelicalism in America, thematic chapters on culture, spirituality, theology, politics, and ethnicity reveal the sources of the movement's dynamism, as well as significant challenges confronting the rising generations. A collaboration among scholars of history, religious studies, theology, political science, and ethnic studies, the volume offers unique insight into a vibrant and sometimes controversial movement, the future of which is closely tied to the future of America.

Ascend Eric Stoltz 2009 Ascend: The Catholic Faith for a New Generation is a contemporary, scripture-rich, and dramatically visual exploration of the Catholic faith for young adults. With its engaging style, full-color graphics, and interesting sidebar articles, Ascend covers the basics of Christianity from a viewpoint that is Catholic yet ecumenically minded. There are chapter profiles on Christian role models from both ancient and modern times, and informative discussions of contemporary events from a Christian perspective. Discussion questions and book recommendations are included for each chapter; there is also an extensive glossary. Though oriented to young adults, Ascend provides an overview of Christianity that will appeal to all ages, Christians and non-Christians alike. "Finally something for young adult Catholics that actually speaks their language--blunt, personal, authentic and visual. Ascend's groundbreaking new way of presenting simple Gospel truths is a bold new invitation to the faith addressed directly to the future of the church." --James Martin, S.J., author, My Life with the Saints

Cultural Engagement Timothy Keller 2013-09-03 Fruitful ministry in the century must embrace the unavoidable reality of the city. A Center Church theological vision affirms that center cities are wonderful, strategic, and underserved places for gospel ministry and recognizes that virtually all ministry contexts are increasingly shared by urban and global forces. Regardless of your particular cultural or geographical context, you will need to consider the city when forming a theological vision that engages the people you are trying to reach. This eBook contains the fifth part of Center Church, "Cultural Engagement." In it, Keller discusses four models for engaging urban culture, acknowledging that each model has strengths and weaknesses—ways in which it reflects a particular biblical emphasis and other ways in which it reflects an unbiblical imbalance or idol. The Center church model for cultural engagement blends the key insights of each model in a way that we believe is more biblically faithful and also fruitful for reaching urban culture.

By the Waters of Babylon Scott Aniol 2015 A guide to biblically shaped worship, which has the greatest missional impact in a post-Christian culture By the Waters of Babylon examines a relationship between worship, culture, and evangelism that is centered in a desire for biblical fidelity rather than cultural relevance. Imagine how the Hebrews felt during their years of captivity in Babylon. How could they sing the songs they once sang in the spender of Jerusalem now that they sat in exile? Christian worship in the West faces many of the same challenges as this tragic account of Israel's captivity. By all accounts Christendom is dead, and unbiblical beliefs have progressively permeated Western thought, expectations, and culture. So how should churches respond to this seismic shift in their relationship with an increasingly post-Christian culture while still following the biblical mandate to reach that culture with the gospel of Jesus Christ? By the Waters of Babylon will help Christians wrestle through this critical issue of the relationship between Christian worship and evangelistic witness, especially in the context of an increasingly hostile culture. The author demonstrates that biblically regulated, gospel-shaped corporate worship that communicates God's truth through appropriate cultural forms will have the most missional impact in a post-Christian context.

Hipster Christianity Brett McCracken 2010-08-01 Insider twentysomething Christian journalist Brett McCracken has grown up in the evangelical Christian subculture and observed the recent shift away from the "stained glass and steeples" old guard of traditional Christianity to a more unorthodox, stylized 21st-century church. This change raises a big issue for the church in our postmodern world: the question of cool. The question is whether or not Christianity can be, should be, or is, in fact, cool. This probing book is about an emerging category of Christians McCracken calls "Christian hipsters"--the unlikely fusion of the American obsessions with worldly "cool" and otherworldly religion--an analysis of what they're about, why they exist, and what it all means for Christianity and the church's relevancy and hipness in today's youth-oriented culture.

The Kingdom of God

Just Politics Ronald J. Sider 2012-09-01 Evangelicals today probably have more political influence in the United States than at any time in the last century--but they might not be certain what to do with it. It has been difficult to develop a unified voice on pressing issues such as social justice and moral renewal. Bestselling author and theologian Ron Sider offers a biblically grounded, factually rooted, Christian approach to politics that cuts across ideological divides. Shaped by a careful study of society, this book will guide readers into more thoughtful and effective political activity. It addresses perennially tough questions that often divide the church and includes a case study of the federal deficit debate. Practical, balanced, and nonpartisan, this book will be a welcome resource during the 2012 presidential race. This is a revised version of what was previously published as The Scandal of Evangelical Politics.

Jesus for President Pack Shane Claiborne 2012-01-31 Addresses the relationship between faith and allegiance, arguing that the ultimate hope of individuals lies not in partisan political options

but in Jesus and the incarnation of the politic of the church as a people "set apart" from this world.

Why People Matter John F. Kilner 2017-01-03 Amid current arguments related to human life and dignity, Christians must be clear about how their faith speaks to such concerns and what other outlooks have to say. This book brings together noted ethicists--Russell DiSilvestro, David P. Gushee, Amy Laura Hall, John F. Kilner, Gilbert C. Meilaender, Scott B. Rae, and Patrick T. Smith--to make a Christian case for human dignity. It offers a robust critique of five influential alternative positions, including the emerging outlook of transhumanism, showing how a Christian view supports the crucial idea that people matter in a way other views cannot.

What on Earth? Barney Wiget 2022-04-28 In his most famous Sermon, Jesus announces a Kingdom so counterintuitive that it appears upside down in contrast to conventional wisdom. By prescribing both a revolutionary personal piety and a radical social possibility he teaches us how to become better people who in turn make the world better. His vision for a countercultural Kingdom challenges our engagement with contemporary culture morally, socially, and even politically. The impact of this Kingdom "on the earth as it is in heaven," with a view to partnering with Jesus in his venture to nudge the world toward its intended design is the focus of this compelling treatment of the Sermon. By a lifestyle of holy nonconformity shaped by the "Blessed Attitudes" (Beatitudes), Jesus commissions his prophetic community to embody a social alternative that the world cannot imagine on its own and to foment a humble and loving cultural shift where the privileged and powerless flourish together in peace and justice. As previews of the coming attractions when Christ will return and reign as King over a new heaven and earth, Kingdom citizens work toward initiating such a world on earth as it is in heaven today.

In the Days of Caesar Amos Yong 2010-09-14 In the Days of Caesar is a constructive political theology formulated in sustained dialogue with the Pentecostal and charismatic renewal one of the most vibrant religious movements at the beginning of the twenty-first century. Amos Yong here argues that the many tongues, practices, and gifts of renewal Christianity offer up new resources for thinking about how Christian community can engage and transform the social, political, and economic structures of the world. Yong has three goals here. First he seeks to correct stereotypes of Pentecostalism, both political and theological. Secondly he aims to provoke Pentecostals to reflect theologically from out of the depths of their own Pentecostalism rather than merely to adopt some framework for theological or political self-understanding. Finally Yong shows that a distinctively Pentecostal form of theological reflection is not a parochial activity but has constructive potential to illuminate Christian belief and practice. This book's engagement with political theology from a Pentecostal perspective is the first of its kind.

The New Evangelical Social Engagement Brian Steensland 2014-01 Evangelicals are increasingly turning their attention toward issues such as the environment, international human rights, economic development, racial reconciliation, and urban renewal. This marks an expansion of the social agenda advanced by the Religious Right over the past few decades. For outsiders to evangelical culture, this trend complicates simplistic stereotypes. For insiders, it brings contention over what true" evangelicalism means today. The New Evangelical Social Engagement brings together an impressive interdisciplinary team of scholars to map this new religious terrain and spell out its significance. The volume's introduction describes the broad outlines of this "new evangelicalism." The editors identify its key elements, trace its historical lineage, account for the recent changes taking place within evangelicalism, and highlight the implications of these changes for politics, civic engagement, and American religion. Part One of the book discusses important groups and trends: emerging evangelicals, the New Monastics, an emphasis on social justice, Catholic influences, gender dynamics and the desire to rehabilitate the evangelical identity, and evangelical attitudes toward the new social agenda. Part Two focuses on specific issues: the environment, racial reconciliation, abortion, international human rights, and global poverty. Part Three contains reflections on the new evangelical social engagement by three leading scholars in the fields of American religious history, sociology of religion, and Christian ethics."

Becoming the Answer to Our Prayers Shane Claiborne 2009-10-16 Activists Shane Claiborne and Jonathan Wilson-Hartgrove show how prayer and action must go together. Their exposition of key Bible passages provides concrete examples of how a life of prayer fuels social engagement and the work of justice.

Global Soccer Mom Shayne Moore 2011-01-04 Women are the caretakers of the world. Yet global HIV and AIDS and extreme poverty can seem overwhelming. Even if these things break our mother's hearts, how is a busy, full-time mom to get engaged and make a difference? Global Soccer Mom shows that everyday moms care deeply about these issues and long to engage the world in a meaningful way. Busy women everywhere will resonate with Shayne's story as a mother of three who learned she could make a difference on the global level. Follow Shayne's journey—sometimes humorous, sometimes poignant and learn how you can get involved too. Activist Shayne Moore knows the challenge of managing a home and the desire to make a difference for those who are suffering. As a full-time mom, she has journeyed from an insular suburban world into the arena of global advocacy, where she's worked alongside media superstars to effect change. Using the power of story, she inspires women everywhere to start right where they are and make a real difference. Moore's work has taken her far beyond her comfortable suburban home. She's travelled to international summits and was featured in a commercial with Julia Roberts, George Clooney, and Matt Damon. She's been interviewed by CNN, NBC, and The Wall Street Journal, and featured in a photo shoot in Vanity Fair's "Africa" issue. You CAN make a difference. Real change starts right where you are.
