Micro-Entrepreneurship For Dummies Paul Mladjenovic 2013-04-22 Tired of the 9-to-5 grind and want a way to earn or to supplement your income? Easy. The media has named the growing trend toward micro-entrepreneurship "the Rise of the Creative Class," "the Gig Life," or "the freelance economy." All of those refer to the nearly 4 million workers who were self-employed this past year, and millions of others who currently supplement their income with freelance work. While the trend has been

spotted before, there's one stark difference between micro-entrepreneurs today and the "Free Agent Nation" citizens of the late '90s: technology. Micro-Entrepreneurship For Dummies shows you how to navigate this confusing technological landscape in order to make a contributable profit. Micro-Entrepreneurship For Dummies aids you in making the best use of micro-entrepreneurial platforms, with helpful advice that includes information on signing up for and selling products on websites such as Airbnb, Craigslist, Taskrabbit, Uber, and Etsy. Micro-enterprise, using online platforms to sell products or services, is a proven way to earn extra money and supplement household income. In today's struggling economy, the importance of self-run businesses and small enterprise is growing as more people take lower-paying jobs and need a little extra spending money. Shows you how to sign up for and sell products online. Micro-Entrepreneurship For Dummies appeals to anyone looking to earn or supplement their income from home.

Verhalen uit de Fles Bernard Henric Falco Marie Meijlink 2015 Vlissingen, heel vroeger Flessinghe, kreeg in het verleden de bijnaam de 'Fles'. De fles siert het wapen van deze stad met haar turbulente geschiedenis. Veel van de verhalen van het oude Vlissingen zijn verdwenen onder de grond. Verschillende archeologische opgravingen brengen deze verhalen weer aan het licht en geven een opvallend beeld van vergeten gebouwen, mensen en hun gewoonten. Hoe zien delen van Vlissingen er in de voorbije eeuwen uit? Hoe leven haar bewoners in de Late Middeleeuwen en in de Gouden eeuw? Dit boek geeft antwoorden op deze vragen. Met behulp van fraai getekende reconstructies kijken we weer even naar hoeken van Vlissingen, zoals deze er in de Late Middeleeuwen en in de eeuwen erna bijliggen. Heel anders dan de stad zoals we die nu kennen! De sprankelende foto's van gedekte tafels uit de verschillende eeuwen brengen de mens en hun huishouden van toen dichterbij. Bijzondere vondsten, maar ook de vondsten met een alledaags karakter dragen elke keer een verhaal met zich mee. Ze vertellen over oorlogsvoering en handel, over ambacht of beroep, maar ook over hygiëne en kinderspelletjes. Aansprekend zijn ook de resultaten van het skeletonderzoek. De vele onderzochte Vlissingse graven leren ons hoe oud de Vlissinger in de Late Middeleeuwen wordt, ...en hoe lang. "Verhalen uit de fles" vormt een bloemlezing van de meest opvallende verhalen uit de

archeologische onderzoeken in Vlissingen.
