Quiet reflection has been shown to calm the mind and help retain information. Create a fabulous ritual and reap the benefits! description

Gloria Swanson in Madame Sans-Gené Robert M. Fells 2018-10-25 Napoleon wasn't always an Emperor or even a General. In 1792 he was a lowly Corporal who couldn't even pay his laundry bill. But the laundress they nicknamed "Madame Sans-Gené" took pity on him and washed his clothing for free. The Revolution dramatically changed their lives and Years later when he had forgotten her they would meet again. By then she was a Duchess and she alone could stop Napoleon from condemning an innocent man to death. But would he listen to her?

Gloria Swanson Tricia Welsch 2013-07-27 Gloria Swanson: Ready for Her Close-Up shows how a talented, self-confident actress negotiated a creative path through seven decades of celebrity. It also illuminates a little-known chapter in American media history: how the powerful women of early Hollywood transformed their remarkable careers after their stars dimmed. This book brings Swanson (1899-1983) back into the spotlight, revealing her as a complex, creative, entrepreneurial, and thoroughly modern woman. Swanson cavorted in slapstick short films with Charlie Chaplin and Mack Sennett in the 1910s. The popularity of her films with Cecil B. DeMille helped create the star system. A glamour icon, Swanson became the most talked-about star in Hollywood, earning three Academy Award nominations, receiving 10,000 fan letters every week, and living up to a reputation as Queen of Hollywood. She bought mansions and penthouses, dressed in fur and feathers, and flitted through Paris, London, and New York engaging in passionate love affairs that made headlines and caused scandals. Frustrated with the studio system, Swanson turned down a million-dollar-a-year contract. After a wild ride making unforgettable movies with some of Hollywood's most colorful characters--including her lover Joseph Kennedy and maverick director Erich von Stroheim--she was a million dollars in debt. Without hesitation she went looking for her next challenge, beginning her long second act. Swanson became a talented businesswoman who patented inventions and won fashion awards for her clothing designs; a natural foods activist decades before it was fashionable; an exhibited sculptor; and a designer employed by the United Nations. All the while she continued to act in films, theater, and television at home and abroad. Though she had one of Hollywood's most famous exit lines--"All right, Mr. DeMille, I'm ready for my close-up"--the real Gloria Swanson never looked back.

Gloria and Joe Axel Madsen 2015-03-17 The ultimate Hollywood story revealed: the sizzling relationship between Joseph Kennedy, patriarch of America's most influential political family, and Gloria Swanson, one of the most prominent silent film stars of her day. Gloria and Joe were in love with each other and with the movies, especially Queen Kelly, which completed the real-life ménage à trois. Starring along with the star of the screen and the Boston Brahman in this exposé are Erich von Stroheim, Kennedy's wife Rose, Swanson's husband, and a cast of colorful hangers-on. Madsen recreates their love, scandal, and world, which in its extravagance and intrigue has never been surpassed.

Gloria Swanson 2012

American Legends Charles River Charles River Editors 2018-03-10 *Includes pictures *Includes Swanson's quotes about her own life and career *Includes online resources and a bibliography for further reading *Includes a table of contents "Fame was thrilling only until it became grueling. Money was fun only until you ran out of things to buy." - Gloria Swanson It goes without saying that the most enduring image of Gloria Swanson is the famous shot of her in Sunset Boulevard (1950), head tilted backward, stating, "Alright, Mr. DeMille, I'm ready for my close up." Indeed, for many, the very mention of "Gloria Swanson" conjures the name of "Norma Desmond," her character in Sunset Boulevard, directed by Billy Wilder. That the shot of Desmond requesting her close-up remains indelibly imprinted in the minds of so many speaks in large part to the power of Sunset Boulevard, one of the most revered films of its times and the most famous film of Gloria Swanson's career. By dint of her performance in the film, Swanson has become almost synonymous with Hollywood's silent era. In many respects, Swanson's status as the female face of the silent era is entirely apropos. Working in the 1920s for Cecil B. DeMille in his lavish productions, Swanson commanded salaries of more than \$1 million per year, sums that Paramount was only too willing to provide for the virtual guarantee of high box office receipts that her films provided. Swanson worked with a cross section of famous silent era figures, such Mack Sennett and Charlie Chaplin (although her experience with Chaplin did not fare well) during her early years with Keystone, as well as collaborations with DeMille and Erich Von Stroheim during her more mature years. Yet at the same time, the histrionics of Swanson's character in Wilder's film belie the sophistication that Swanson brought to the screen, as well as the

salient role she played in shaping cinematic representations of women during the onset of the "new woman" in 1920s America. In other words, while one could justifiably argue that *Sunset Boulevard* stands as the finest film of Swanson's career, it obfuscates the impact Swanson had during her prime, not only in the film industry but also in society more broadly. *American Legends: The Life of Gloria Swanson* looks at the life and career of one of America's most famous actresses. Along with pictures of important people, places, and events, you will learn about Gloria Swanson like never before, in no time at all.

[Gloria Swanson](#) Richard M. Hudson 1970 Rescued from Mack Sennett's slapstickers, Swanson was molded by Cecil B. DeMille into a living symbol of glamour. Fairly successful on stage and television, Swanson was also an excellent businesswoman. The brief text in this book sums up her life and provides brief synopses of 66 movies; the photographs include stills from her film, candid shots, and portraits.

[Close-up on Sunset Boulevard](#) Sam Staggs 2003-02-04 Billy Wilder's *Sunset Boulevard*, a classic film noir and also a damning dissection of the Hollywood dream factory, evokes the glamour and ruin of the stars who subsist on that dream. It's also one long in-joke about the movie industry and those who made it great-and who were, in turn, destroyed by it. One of the most critically admired films of the twentieth century,

Sunset Boulevard is also famous as silent star Gloria Swanson's comeback picture. Sam Staggs's *Close-Up On Sunset Boulevard* tells the story of this extravagant work, from the writing, casting and filming to the disastrous previews that made Paramount consider shelving it. It's about the writing team of Billy Wilder and Charles Brackett-sardonically called "the happiest couple in Hollywood"-and their raucous professional relationship. It's about the art direction and the sets, the costumes, the props, the lights and the cameras, and the personalities who used those tools to create a cinematic work of art. Staggs goes behind the scenes to reveal: William Holden, endlessly attacked by his bitter wife and already drinking too much; Nancy Olson, the cheerful ingenue who had never heard of the great Gloria Swanson; the dark genius Erich von Stroheim; the once famous but long-forgotten "Waxworks"; and of course Swanson herself, who-just like Norma Desmond-had once been "the greatest star of them all." But the story of *Sunset Boulevard* doesn't end with the movie's success and acclaim at its release in 1950. There's much more, and Staggs layers this stylish book with fascinating detail, following the actors and Wilder into their post-Sunset careers and revealing Gloria Swanson's never-ending struggle to free herself from the clutches of Norma Desmond. *Close-Up On Sunset Boulevard* also chronicles the making of Andrew Lloyd Webber's musical production of *Sunset Boulevard* and the explosive diva controversies that dogged it. The book ends with a shocking example of Hollywood life imitating Hollywood art. By the last page of this rich narrative, readers will conclude: We are those "wonderful people out there in the dark."

Gloria Swanson Stephen Michael Shearer 2013-08-27 *Gloria Swanson* defined what it meant to be a movie star, but her unforgettable role in *Sunset Boulevard* overshadowed the true story of her life. Now Stephen Michael Shearer sets the record straight in the first in-depth biography of the film legend. Swanson was Hollywood's first successful glamour queen. Her stardom as an actress in the mid-1920s earned her millions of fans and millions of dollars. Realizing her box office value early in her career, she took control of her life. Soon she was not only producing her own films, she was choosing her scripts, selecting her leading men, casting her projects, creating her own fashions, guiding her publicity, and living an extravagant and sometimes extraordinary celebrity lifestyle. She also collected a long line of lovers (including Joseph P. Kennedy) and married men of her choosing (including a French marquis, thus becoming America's first member of "nobility"). As a devoted and loving mother, she managed a quiet success of raising three children. Perhaps most important, as a keen businesswoman she also was able to extend her career more than sixty years. Her astounding comeback as Norma Desmond in Billy Wilder's *Sunset Boulevard* catapulted her back into the limelight. But it also created her long-misunderstood persona, one that this meticulous biography shows was only part of this independent and unparalleled woman.
