The Extraordinary Adventures of Arsène Lupin, Gentleman-Burglar Annotated Maurice Leblanc 2021-07 I. The Arrest of Arsène Lupin It was a strange ending to a voyage that had commenced in a most auspicious manner. The transatlantic steamship 'La Provence' was a swift and comfortable vessel, under the command of a most affable man. The passengers constituted a select and delightful society. The charm of new acquaintances and improvised amusements served to make the time pass agreeably. We enjoyed the pleasant sensation of being separated from the world, living, as it were, upon an unknown island, and consequently obliged to be sociable with each other. Have you ever stopped to consider how much originality and spontaneity emanate from these various individuals who, on the preceding evening, did not even know each other, and who are now, for several days, condemned to lead a life of extreme intimacy, jointly defying the anger of the ocean, the terrible onslaught of the waves, the violence of the tempest and the agonizing monotony of the calm and sleepy water? Such a life becomes a sort of tragic existence, with its storms and its grandeurs, its monotony and its diversity; and that is why, perhaps, we embark upon that short voyage with mingled feelings of pleasure and fear.

The Extraordinary Adventures of Arsene Lupin, Gentleman-Burglar by Maurice Leblanc Maurice Leblanc 2021-09-24
Maurice Marie Émile Leblanc (11 December 1864 - 6 November 1941) was a French novelist and writer of short stories, known primarily as the creator of the fictional gentleman thief and detective Arsène Lupin, often described as a French counterpart to Arthur Conan Doyle's creation Sherlock Holmes. The first Arsène Lupin story appeared in a series of short stories that were serialized in the magazine *Je sais tout*, starting in No. 6, dated 15 July 1905. Clearly created at editorial request, it's possible that Leblanc had also read Octave Mirbeau's *Les 21 jours d'un neurasthénique* (1901), which features a gentleman thief named Arthur Lebeau, and he had seen Mirbeau's comedy *Scrupules* (1902), whose main character is a gentleman thief. Leblanc's house in Étretat, today the museum *Le clos Arsène Lupin*. By 1907, Leblanc had graduated to writing full-length Lupin novels, and the reviews and sales were so good that Leblanc effectively dedicated the rest of his career to working on the Lupin stories. Like Conan Doyle, who often appeared embarrassed or hindered by the success of Sherlock Holmes and seemed to regard his success in the field of crime fiction as a detraction from his more "respectable" literary ambitions, Leblanc also appeared to have resented Lupin's success. Several times he tried to create other characters, such as private eye Jim Barnett, but he eventually merged them with Lupin. He continued to pen Lupin tales well into the 1930s. Leblanc also wrote two notable science fiction novels: *Les Trois Yeux* (1919), in which a scientist makes televisual contact with three-eyed Venusians, and *Le Formidable Evènement* (1920), in which an earthquake creates a new landmass between England and France. Leblanc was awarded the Légion d'Honneur for his services to literature and died in Perpignan in 1941. He was buried in the Montparnasse Cemetery. Georgette Leblanc was his sister. Arsène Lupin is a fictional gentleman thief and master of disguise created in 1905 by French writer Maurice Leblanc. He was originally called Arsène Lopin, until a local politician of the same name protested. The character was first introduced in a series of short stories serialized in the magazine *Je sais tout*. The first story, "The Arrest of Arsène Lupin", was published on 15 July 1905. Lupin was featured in 17 novels and 39 novellas by Leblanc, with the novellas or short stories collected into book form for a total of 24 books. The number becomes 25 if the 1923 novel *The Secret Tomb* is counted: Lupin does not appear in it, but the main character Dorothee solves one of Arsène Lupin's four fabulous secrets. The character has also appeared in a number of books from other writers as well as numerous film, television, stage play, as well as comic book adaptations. Five authorized sequels were written in the 1970s by the celebrated mystery writing team of Boileau-Narcejac. Arsène Lupin is a literary descendant of Pierre Alexis Ponson du Terrail's fictional character Rocambole, whose adventures were published from 1857 to 1870. Like Rocambole, Lupin is often a force for good while

operating on the wrong side of the law. Those whom Lupin defeats are worse villains than he is. Lupin shares similarities with E. W. Hornung's gentleman thief A. J. Raffles, whose stories were published from 1898 to 1909. Both Raffles and Lupin have inspired later characters such as Louis Joseph Vance's *The Lone Wolf* (created in 1914) and Leslie Charteris's *The Saint* (created in 1928).

The Extraordinary Adventures of Arsene Lupin, Gentleman-burglar Annotated Maurice Marie Émile LeBlanc 2021-01-25
Created by Maurice LeBlanc during the early twentieth century, Arsene Lupin is a witty confidence man and burglar, the Sherlock Holmes of crime. The poor and innocent have nothing to fear from him; often they profit from his spontaneous generosity. The rich and powerful, and the detective who tries to spoil his fun, however, must beware. They are the target of Arsene's mischief and tomfoolery. A masterful thief, his plans frequently evolve into elaborate capers, a precursor to such cinematic creations as *Ocean's Eleven* and *The Sting*. Sparkling with amusing banter, these stories-the best of the Lupin series-are outrageous, melodramatic, and literate.

The Extraordinary Adventures of ARSENE LUPIN, Gentleman-Burglar Maurice Leblanc 2014-08-16 It was a strange ending to a voyage that had commenced in a most auspicious manner. The transatlantic steamship 'La Provence' was a swift and comfortable vessel, under the command of a most affable man. The passengers constituted a select and delightful society. The charm of new acquaintances and improvised amusements served to make the time pass agreeably. Such a life becomes a sort of tragic existence, with its storms and its grandeurs, its monotony and its diversity; and that is why, perhaps, we embark upon that short voyage with mingled feelings of pleasure and fear. But, during the past few years, a new sensation had been added to the life of the transatlantic traveler. The little floating island is now attached to the world from which it was once quite free. A bond united them, even in the very heart of the watery wastes of the Atlantic. That bond is the wireless telegraph, by means of which we receive news in the most mysterious manner. We know full well that the message is not transported by the medium of a hollow wire. No, the mystery is even more inexplicable, more romantic, and we must have recourse to the wings of the air in order to explain this new miracle. During the first day of the voyage, we felt that we were being followed, escorted, preceded even, by that distant voice, which, from time to time, whispered to one of us a few words from the receding world. Two friends spoke to me. Ten, twenty

others sent gay or somber words of parting to other passengers. On the second day, at a distance of five hundred miles from the French coast, in the midst of a violent storm, we received the following message by means of the wireless telegraph: "Arsène Lupin is on your vessel, first cabin, blonde hair, wound right fore-arm, traveling alone under name of R....." At that moment, a terrible flash of lightning rent the stormy skies. The electric waves were interrupted. The remainder of the dispatch never reached us. Of the name under which Arsène Lupin was concealing himself, we knew only the initial. If the news had been of some other character, I have no doubt that the secret would have been carefully guarded by the telegraphic operator as well as by the officers of the vessel. But it was one of those events calculated to escape from the most rigorous discretion. The same day, no one knew how, the incident became a matter of current gossip and every passenger was aware that the famous Arsène Lupin was hiding in our midst. Arsène Lupin in our midst! the irresponsible burglar whose exploits had been narrated in all the newspapers during the past few months! the mysterious individual with whom Ganimard, our shrewdest detective, had been engaged in an implacable conflict amidst interesting and picturesque surroundings. Arsène Lupin, the eccentric gentleman who operates only in the chateaux and salons, and who, one night, entered the residence of Baron Schormann, but emerged empty-handed, leaving, however, his card on which he had scribbled these words: "Arsène Lupin, gentleman-burglar, will return when the furniture is genuine." Arsène Lupin, the man of a thousand disguises: in turn a chauffer, detective, bookmaker, Russian physician, Spanish bull-fighter, commercial traveler, robust youth, or decrepit old man.

The Extraordinary Adventures of Arsene Lupin, Gentleman-Burglar Maurice Leblanc 2014-11-11 "[...]affair interests you. How can I serve you, Ganimard?" "Must I explain to you what steps the authorities have taken in the matter?" "Not at all. I have read the newspapers and I will frankly state that you have made very little progress." "And that is the reason I have come to see you." "I am entirely at your service." "In the first place, the Cahorn affair was managed by you?" "From A to Z." "The letter of warning? the telegram?" "All mine. I ought to have the receipts somewhere." Arsène opened the drawer of a small table of plain white wood which, with the bed and stool, constituted all the furniture in his cell, and took therefrom two scraps of paper which he handed to Ganimard. "Ah!" exclaimed the detective, in surprise, "I though you were closely guarded and searched, and I find that you read the newspapers and collect postal receipts." "Bah! these people are so stupid! They open the lining of my vest, they examine the soles of my shoes, they sound the walls of my cell, but they never imagine that Arsène Lupin would be foolish enough to choose such a simple hiding place." Ganimard laughed, as he said: "What a droll fellow you are! Really, you bewilder me. But, come now, tell me about the Cahorn affair." "Oh! oh! not quite so fast! You would rob me of all my secrets; expose all my [...]"

Lupin Books in English Maurice LeBlanc 2021-07-23 Lupin Books in English Collection Hardcover Volume 1: "3 Books in 1" ?Finally, the ultimate collection of The Adventures of Arsène Lupin considered by many to be one of the best novels ever, has arrived.? The Extraordinary Adventures of Arsène Lupin Gentleman-Burglar: ? 1 in the Arsène Lupin series
Arsène Lupin Versus Herlock Sholmes: ? 2 in the Arsène Lupin series
The Hollow Needle: ? 3 in the Arsène Lupin series

The Extraordinary Adventures of Arsène Lupin, Gentleman-Burglar: Arsène Lupin, with his characteristic wit, plots over the course of nine short stories to steal many of France's best antiques and artworks from under their owners' noses. Only his classic opponent Detective Ganimard has the brilliance to attempt to foil Arsène's plans, albeit with mixed results. This first collection of nine Arsène Lupin stories were originally serialised in the magazine *Je Sais Tout* from 1905 and translated into English in 1910. The final story of the set features an unauthorised Sherlock Holmes whose appearance annoyed Arthur Conan Doyle; the character's name was changed to "Herlock Sholmes" for later stories. Arsène Lupin later went on to feature in over fifty stories by Maurice Leblanc along with many other books, films and plays around the world.

Arsène Lupin Versus Herlock Sholmes: Arsène Lupin takes on his most fearsome opponent yet in this second collection of his larcenous adventures. More a loving homage than a straight copy, Herlock Sholmes (changed just enough to avoid fallout from a copyright claim by Conan Doyle) and his companion Wilson are summoned to France initially to throw light on the case of the Blonde Lady. Having encountered Arsène Lupin before, Sholmes is only too happy to get a chance of revenge. This collection of two stories were originally serialised in the magazine *Je Sais Tout* from 1906 to 1907, and were translated into English in 1910. After an earlier story with an unauthorised Sherlock Holmes, Maurice Leblanc was forced to rename his antagonist for these stories.

The Hollow Needle: In this first full-length Arsène Lupin novel the gentleman-thief remains a shadowy figure for most of the novel, working two steps beyond the law with a hidden aim. To fight against this anti-hero, Leblanc introduces Isidore Beautrelet, the prodigious school-boy detective. Also making an appearance are old foes Detective Ganimard and (in yet another copyright-defeating name change) Holmlock Shears. The battle of wills that ensues pulls Isidore through rural France as he tries to get to the bottom of Lupin's motives. The Hollow Needle was originally serialized in the magazine *Je Sais Tout* from 1908 to 1909, and was translated into English in 1910. Arsène Lupin starred in many further stories and plays, and a direct sequel to this story, *Le second visage d'Arsène Lupin*, was written by Pierre Boileau and Pierre Ayraud in 1975. This is the perfect gift for any literature lover: a book to read and enjoy!

The charm of new acquaintances and improvised amusements served to make the time pass agreeably. The Extraordinary Adventures of Arsene Lupin, Gentleman-Burglar Annotated Maurice-Marie-Emile Leblanc (1864-1941) was a French novelist and writer of short stories, known primarily as the creator of the fictional gentleman thief and detective Arsene Lupin, often described as a French counterpart to Conan Doyle's creation Sherlock Holmes. The first Arsene Lupin story appeared in a series of short stories serialized in the magazine Je Sais Tout, starting in No. 6, dated 15 July 1905. Clearly created, at editorial request, under the influence of, and in reaction to, the wildly successful Sherlock Holmes stories, the roguish and glamorous Lupin was a surprise success and Leblanc's fame and fortune beckoned. In total, Leblanc went on to write twenty-one Lupin novels or collections of short stories. The character of Lupin might have been based by Leblanc

on French anarchist Marius Jacob, whose trial made headlines in March 1905; it is also possible that Leblanc had also read Octave Mirbeau's *Les 21 Jours du Neurasthénique* (1901), which features a gentleman thief named Arthur Lebeau. Leblanc also wrote two notable science fiction novels: *Les Trois Yeux* (1919) and *Le Formidable Evénement* (1920). *The Extraordinary Adventures of Arsène Lupin, Gentleman-Burglar Annotated*

The Arsène Lupin Collection Maurice Leblanc 2021-03-21 Arsène Lupin has been simplistically cast as the French Sherlock Holmes. One of the stories included here even pits him against the thinly disguised character 'Herlock Sholmes.' However, Arsène is a far more complex character who often breaks the law and distaste authority. While the stories of Arthur Conan Doyle focus on the case's logical details, Maurice LeBlanc is more interested in personality and the absurd. The collected mysteries of Arsène Lupin are a delight.

Extraordinary Adventures of Arsène Lupin, Gentleman Burglar Maurice LeBlanc 2021-05-25 It was a strange ending to a voyage that had commenced in a most auspicious manner. The transatlantic steamship 'La Provence' was a swift and comfortable vessel, under the command of a most affable man. The passengers constituted a select and delightful society. The charm of new acquaintances and improvised amusements served to make the time pass agreeably. We enjoyed the pleasant sensation of being separated from the world, living, as it were, upon an unknown island, and consequently obliged to be sociable with each other. Have you ever stopped to consider how much originality and spontaneity emanate from these various individuals who, on the preceding evening, did not even know each other, and who are now, for several days, condemned to lead a life of extreme intimacy, jointly defying the anger of the ocean, the terrible onslaught of the waves, the violence of the tempest and the agonizing monotony of the calm and sleepy water? Such a life becomes a sort of tragic existence, with its storms and its grandeurs, its monotony and its diversity; and that is why, perhaps, we embark upon that short voyage with mingled feelings of pleasure and fear. But, during the past few years, a new sensation had been added to the life of the transatlantic traveler. The little floating island is now attached to the world from which it was once quite free. A bond united them, even in the very heart of the watery wastes of the Atlantic. That bond is the wireless telegraph, by means of which we receive news in the most mysterious manner. We know full well that the message is not transported by the medium of a hollow wire. No, the mystery is even more inexplicable, more romantic, and we must have recourse to the wings of the air in order to explain this new miracle. During the first day of the voyage, we felt that we were being followed, escorted, preceded even, by that distant voice, which, from time to time, whispered to one of us a few words from the receding world. Two friends spoke to me. Ten, twenty others sent gay or somber words of parting to other passengers. - Taken from "Arsène Lupin, Gentleman Burglar" written
